The enclosed declaration of Margery B. Hood that a response was mailed timely and a copy of said mailing is evidence of the fact that a response was mailed on May 7, 1999. According to our records, the return postcard that we mailed that would have shown receipt by the USPTO has not been received back and leads us to the conclusion that this mailing was lost in the USPS, and it is requested that the enclosed copy of said mailing be accepted as a response to the Official Action of February 8, 1999 under Rule 8.

Respectfully submitted,
